

Multi-Brand Power Steering Fluid

Product Code: S10230

Multi-Brand Power Steering Fluid is a fully synthetic power steering fluid dedicated for most common passenger cars and light-duty commercial vehicles. **Not suitable for Honda / Acura vehicles.**

Multi-Brand Power Steering Fluid is formulated from specially selected high quality fully synthetic base stocks in combination with a special detergent additive to achieve the following performance:

- Excellent clean properties.
- Improves performance and smoothness of operation in power steering systems.
- High Viscosity Index.
- Miscible with all common power steering fluids.
- Lightly colored oil helps improve visual detection when flushing is completed, reducing total volume of used flushing oil.

Multi-Brand Power Steering Fluid exceeds the following performance criteria:
